

To Whom It May Concern:

We have been so fortunate to have found Ruthann from Top Notch Pet Sitting! We received a puppy this summer for our birthdays right before school started. I teach school and my husband in the USCG stationed in Houston TX. I called Ruthann in a bit of a panic as to how we were going to take care of this puppy while we both were at work. We also have another adult dog. Ruthann was a true Godsend. She came by school that first day and picked up the key to and has taken such wonderful care of our 4 legged children ever since then, she comes twice a day and feeds, walks, plays with and loves them just as we would if we were here. I have not worried for them not one time. She also has come a third time during the day when needed and looked after them when we went out of town for 5 days.

She has really helped our puppy grow up to be a pretty good little fellow . Her daily reports ( notes) about how the dogs did each day were so helpful and reassuring. She let us know how they behaved, ate , how many potties etc.. We are very sad to see her go but know she has to for family. We will definitely miss her and I know Amos and Cesar will miss her even more!

We would HIGHLY recommend Ruthann at Top Notch Pet Sitting to anyone –anytime! It was worth so much to have peace of mind that our pups were so well taken care of everyday we could not be with them. Hard to put a price on that!

We can't thank Ruthann enough. She has been an angel sent to us!  
Thank you from the bottom of our hearts Ruthann
