

November 2009

Dear Pet Owner,

Ruth Ann Moncrief has provided pet sitting services for me on a regular basis for nearly two years. I travel extensively for work, and I could not have asked for a more reliable, trustworthy person to care for my two dogs than Ruth Ann. She has been a friend as well as a service provider, often helping me out when I've gotten a last minute assignment to work out-of-town. On a recent occasion, my car battery died and I was going to be late arriving home. I phoned Ruth Ann who graciously went to my house to let the "girls" out to potty and thus avoid any accidents for me to clean up when I got home.

I cannot say enough about this kind-hearted woman. She simply loves animals and their owners. I have had pet sitters in the past who provided a minimum service. Ruth Ann walked my dogs, played with them, brought my mail in and picked up newspapers so no one would know I was out of town. She even wound my cuckoo clock twice a day! She is an absolute treasure and I will be hard pressed to replace her. She and her equally kind and caring husband Jeff have been a blessing in my life.

I am honored to write this letter of recommendation for Ruth Ann and would be more than happy to speak with anyone by phone if desired (713-876-1144).

Sincerely,

Michele Barzyk
